> peter is more on the order of get- deeming it necessary. During this time ting things in shape for the season's i have had cases in the county Powork. Superintendent Wright has been i'ce, Quarterly and Circults courts, on the ground ail winter and will and with more than ordinary snecess. press the work, when it begins in these facts show, I think, both my earnest, with his accustomed vim rud fitness and my eligibility for the vigor, with victory as the result. 'the place to which I aspire, Resp'y, Saltpeter dam when finished will be about 200 feet long, facking but a few feet of being as ion; as the one nt

Last season there were miles of red tape to be disposed of before the contoois, materini and machinery were on the ground weeks before they tote allowed to begin operations. This season nothing but the stage of the river had to be reckoned with.

The work done by the laborers th and after on these dams is not particularly hard and others in the United States Comt rud the hours are few aml the pay good and sure. The contractors at Saitpeter ami Chapman have lever es missed a pay day. The cash comes at with the dry of payment, sometimes Lefore.

> A part of the project for the dam December, at the mouth of the river, No. 1, was the construction of a bridge to the weir. Seven thousand dollars is the amount available for this work, int it requires ten thousand. The difference was asked for, but it was one. There will be little doing in coul ction with the lock and dam at this county indictments.

The wonderful recovery of a Rockeastle county woman, who has been helpless for thiryt-five years, is told in the following from the Banville Advocate:

the hand of fellowship to a number of young converts.

For years she had been a devoted member of the Methodist church, and some weeks ago the Rev. J. H. Barnes, an evangelist, began a series of meetlugs, and Mrs. Sowder was waceted in to the church every night. On account of the inconvenience of passing her ve address John R. Preston, R. F. little through the alsle she was stationed in the rear of the building. For tulrty-five years she had been helped In and out of bed, and literally speak-Ing, had never waiked a step. Only at times was she able to sit up in her ilttie carriage. At the eilmax in the sormon she arose from her carriage and walked down the sisle to the pulpit, in front of which the converts were standing, iler sudden. recovery aimost created a panic in the little church, so thrilled was the congregation. Every one of whom knew how totally helpiess Mrs. Sowder had been for more than a generation. Since Sunday she has been waiking around the house and lins practically, discarded her carriage. She got Into her carringe without help and possi for a photographer.

Mrs. Sowden was born in Scott noun ty, Va., but has been living in Kenjucky for flig years. She is seventyone ears of age and fives with her son, a lending business man at Broadnend.

According to Thousandsticks, no; one can be found to hold down the udge at Hayden, Leslie jcb of Police paper calls for voiuneers in t owing:

## OUR NEIGHBORS.

et Leon, Carter county, In which Curtis Belew was instantly kllied, and his brother, Lewis Belew, dangeronsly wounded. Walter Lee, who dld the shooting, made good his escaped Mr. Lee, Sr., the father of Walter and Pliss Anuls Klug, both of like ol Mrs. Belew, has been placed under arrest for complicity in the killing Church officiating. Both families are quito prominent in that section of Carter county, and the tragedy lins created great exciterient all nbout Leon.

Differences between Belew and his vifo ied to the tragedy.

The sight or a negro chasing his stepdaughter with a shot gun along the boulevards of Pikeville afforded excitement for the denizens of thut village a day or two rince.

Sharpsburg, Ky.-Samnel Juckson, Deputy United States Marshal, with a posse of well-chosen men, found ; nd destrouyed a moonshine whiskey dis differy together with about 400 gallons of beer and forty gallons of Whiskey. The distillery was aimost new and wa located in a well-chosen place under the ledge of a large rock where access to it was very difficult, in range of cliffs a few miles east of here. Ben Black and Audrew Braw were arrested as operators of the bill.

It was thought by a few social fellows that Lognn was just the place for a club, where n cold bottle or a "jigger" of liquor could be delsposed was just the thing. One of the men John was visiting relatives at this that inaugurated the move, and his bartender, know it won't pay new The late session of Circuit Court got after them and assessed a time ngainst the gentlemen sufficiently large to eat up the profits for a year or two. This case may go to the Cenrt of Appeals. The fact is it don't gay to foot with liquor in Lagan In the last five years those who have tried it have just out.
